

Brent Intergrated Musculoskeletal Service Self Referral

- Brent Intergrated Musculoskeletal Service is for patients with musculoskeletal conditions and we provide a range of treatments in a community setting providing care closer to home
- The Service offers a Self-Referral option to access Physiotherapy without needing to visit your GP first
- Our team of specialist clinicians can provide a comprehensive assessment and a personal management plan

To refer yourself into the service, please call;

020 3795 3429

and one of our Patient Care Advisors will be happy to help

Important Information

- Patients will be offered a telephone appointment as their first appointment
- We will provide an appropriate alternative if a telephone appointment is unsuitable e.g. communication difficulties
- A family or friend can refer you to the service if you are unable to do so. Please note they will need to provide your name, date of birth, address and NHS number
- For more information please visit www.connecthealth.co.uk/services/brent (Translator tool available)

We look forward to welcoming you into the Service
