## Change Grow Live

Change, grow, live (CGL) is a social care and health charity that works with individuals who want to change their lives for the better and achieve positive and life-affirming goals. Our service users are people whose lives have been held back by a range of social issues and concerns, including substance misuse and other forms of addiction, **homelessness**, poverty, unemployment, domestic abuse, mental health issues and offending. All our services are designed to encourage individuals to find the strength and resources within themselves to bring about the life and behavioural changes they wish to achieve. Our mission is to help people change the direction of their lives, grow as a person and live life to its full potential.
